All-State Registration Process by Sarah Sacco -MBA President-Elect

The time is here! MO All-State Band Auditions is less than a month away! Are you excited? Nervous? Maybe a little bit of both. Congratulations to everyone who has a student who earned the honor of auditioning for the MO All-State Band! They met the criteria, but now you have to register them...wait...how do I do that? Well don't you worry we have got you covered!

Here is a link to the [2023 Audition and Registration Process](https://missouribandmasters.org/). This document is a guide to most things you will need to know for the 2023 MO All-State Band Auditions. You can also find this on <https://missouribandmasters.org/> on the All-State Band tab. Registration is scheduled to open November 7th and close November 21st.

We are currently in the process of updating and improving our registration process. Please make sure you complete every section of the registration which will help us in making sure the audition day and finalizing results runs smoothly. Some of it is going to require you to gather information from your students auditioning. Please do not skip this step and make assumptions for your students. It is vital we have accurate information!

We look forward to a great day and can't wait for your students to get to work with our All-State Band conductor Colonel Don Schofield! If you have any questions please do not hesitate to reach out to me at presidentelectmba@gmail.com
