Missouri Music Educators Association

A Federated State Association of the National Association for Music Education

Welcome to this All-State Concert of the Missouri Music Educators Association's 86th In-Service Workshop/Conference, "A Drop In The Bucket: The Ripple Effect of Missouri Music Education" These students represent both "the Ripple" and "the Drop." The Ripple as they add their names to the thousands of previous performers of the All-State ensembles. The Drop because they are inspiring the countless future members of each ensemble.

Since 1938, the Missouri Music Educators Association has made this beauty possible by relentlessly pursuing the first objective in our constitution which is to promote and advance music education in Missouri. MMEA is exceedingly proud to host the All-State ensembles in partnership with our affiliate associations: the Missouri Association for Jazz Education, the Missouri Bandmasters Association, the Missouri Chapter of the American String Teachers Association, and the Missouri Choral Directors Association. MMEA is also very proud to sponsor two All-State ensembles, the Missouri All-State Children's Choir and the Collective.

Just like any behavior or skill, excellence is taught. These students were taught to practice and taught to strive to be their absolute best. This excellence has been nurtured at home, at school and in the communities from which these students come. Communities that value a well-rounded educational experience that includes music education. Places where being in a performance ensemble is a necessity to learn critical thinking and problem solving skills, teamwork and social skills. And maybe the most important skill of all, an appreciation of beauty that can be recognized beyond political leanings or any other differences. Music is important because it makes better people out of us all.

On behalf of the Missouri Music Educators Association, thank you for being here to support the journey of these students and the incredible hard work of their music teachers. You are an active and important part of the ripple effect with your presence and support here today.

The Collective is a unique group of vocalists and multi-instrumentalists from across the state who have come together to perform a concert of completely original music. The Collective's process began in December via Zoom. During those virtual meetings the musicians shared their musical ideas and have been collaborating to create the songs performed this evening. The process has been student-led, guided by the clinician, and you can read more about it, the members, and about the songs performed by the ensemble on their website accessed using the QR code. Thank you to the MMEA board, chaperones, music teachers, and parents of these students for your work supporting this ensemble.

Scotty Barnhart is an internationally acclaimed Jazz trumpeter, composer, arranger, educator, author, and is the Director of The Legendary Count Basie Orchestra. A featured trumpet soloist with the orchestra for over twenty years, he's a two-time Grammy Award winner, appears on three critically acclaimed recordings with pianist Marcus Roberts, and over fifteen others with artists as diverse as Tony Bennett, Diana Krall, Ray Charles, and Tito Puente. Acknowledged as an authority on the history of Jazz trumpet, he has given two keynote lecture-demonstrations at The International Trumpet Guild Conference and continues to give lectures and seminars at universities in South America, Japan, China, Europe, South Africa, and all across the United States. Hal Leonard published his groundbreaking book, *The World of Jazz Trumpet – A Comprehensive History and Practical Philosophy* worldwide in December 2005 to rave reviews.

As a professor of Jazz Trumpet at Florida State University since 2003, two of Barnhart's former students won First place in the National Jazz Trumpet Competition. He was also trumpeter for the Marcus Roberts Quintet in the late 80s and early 90s and garnered critical acclaim for his playing and sound of which The New York Times wrote: "Barnhart bears watching... laid out assured melodic lines in a singing, silvery tone." He has also performed or recorded with Frank Sinatra, Wynton Marsalis, Herbie Hancock, Quincy Jones, The Duke Ellington Orchestra, Ray Brown, Take 6, Lena Horne, Max Roach, Nat Adderley, Aretha Franklin, Lalo Schiffrin, Natalie Cole, Jane Monheit, Jon Hendricks, Hank Jones, Freddie Hubbard, Clark Terry, Nancy Wilson, George Benson, and Barbara Streisand among others. Additionally, Barnhart has been featured in the Asian Wall Street Journal, performed at The Academy Awards, and is in demand as a soloist and lecturer on jazz history. In April of 2008, Unity Music signed Barnhart to his first recording contract as a leader and released his long anticipated debut CD, *Say It Plain*, to critical acclaim on May 19, 2009. Of *Say It Plain*, Bill Cosby states "Scotty Barnhart's soulful work combines a mastery of tradition with vibrant originality. I love it!" An unprecedented lineup of musicians appeared with Barnhart on his solo recording, including Wynton Marsalis, Clark Terry, Ellis Marsalis, Marcus Roberts, Herlin Riley, Todd Williams, Leon Anderson, Jr., Bill Peterson, and Rodney Jordan. It reached #3 on the Jazz Charts. A graduate of Florida A&M University with a degree in Music Education, he is profiled in the book *Trumpet Kings*, which places him with the most important Jazz trumpeters in history, from Louis Armstrong to Miles Davis and others.

This clinician is paid in part by the Missouri Alliance for Arts Education through a grant from the Missouri Arts Council and a Jazz Education Partnership from Jazz St. Louis, Andy Ament, Director of Education.
