MISSOURI MUSIC EDUCATORS ASSOCIATION CONVENTION

DR. HARRY BEGIAN
Director of Bands
University of Illinois

Harry Begian was named Director of Bands at the University of Illinois, Urbana Campus, in 1970. Immediately prior to this appointment he was Director of Bands at Michigan State University for three years. Before his work at Michigan State he had been Director of Bands at Wayne State University, also for three years. Begian's work at both of these universities carried forward the reputation he earned during his many years at Detroit's Cass Technical High School where he developed one of the finest high school bands in the country. During his last few years at Cass, Begian headed the Music and Performing Arts Departments.

Begian's musical training was in the public schools of Michigan where he was a private student of Leonard Smith, the well-known cornet and trumpet virtuoso. He received bachelor's and master's degrees from Wayne State University in Detroit, and later earned his doctorate at the University of Michigan, Ann Arbor.

Begian organized and conducted his first band and orchestra while in his late teens and has studied conducting at Tanglewood, summer home of the Boston Symphony Orchestra. He has appeared as guest conductor, adjudicator, clinician, and lecturer throughout the United States and Canada. Along with a very busy work schedule, he has found time to conduct operatic and Broadway performances, community symphony orchestras, community concert bands, and a church choir.

A charter member of the American School Band Directors Association, he is also a member of the American Bandmasters Association, the College Band Directors National Association, Omicron Delta Kappa, an honorary member of Phi Beta Mu and the Michigan School Band and Orchestra Association. His professional affiliations include memberships in Phi Mu Alpha, Phi Delta Kappa, the American Musicological Society, and the Society for Ethnomusicology.

He is a recipient of the National Band Association CITATION OF EXCELLENCE and the ASBDA EDWIN FRANKO GOLDMAN AWARD.
