Hanson/McBeth

This year's conductor is Dr. W. Francis McBeth, Professor of Music, Resident Composer, and Chairman of the Theory-Composition Department at Ouachita University in Arkadelphia, Arkansas.

Dr. McBeth's most outstanding awards have been the Presley Award at Hardin-Simmons University, recipient of an ASCAP Special Award each consecutive year from 1965 to present, and the Howard Hansen Prize at the Eastman School of Music for his Third Symphony in 1963.

As a composer he has consistently been in the top group of the most performed American symphonic wind composers the past twenty years. As a conductor Dr. McBeth travels nine months of the year and has conducted in 46 of the 50 states, Canada, and Japan.

A special thank you to the directors and students of Columbia Hickman High School for their assistance with the auditions; to the many band directors and teachers for conducting the auditions; and Wingert-Jones Music Co. for their help with the music.
