Written for the Missouri Music Educators Association  
in honor of 50 years of service to Missouri Music Education

The Missouri Music Educators Association and its cooperating sponsoring organizations, The Missouri String Teachers Association (MoASTA); The Missouri Choral Director's Association, (MoACDA); and The Missouri Bandmasters Association (MBA) are non-profit educational organizations whose chief goal is to promote the highest standards in music education.

Through sponsorship of clinics, conventions and these all-state honor groups, the standards of musical performance throughout Missouri has been enhanced, and the music education that is offered in the schools, colleges and universities of our state is of a high quality and integrity.

# 1985 MISSOURI ALL-STATE ORCHESTRA

The Missouri All-State High School String Orchestra is sponsored by the Missouri Unit of the American String Teachers Association with the cooperation of the Missouri Music Educators Association.

MoASTA wishes to gratefully acknowledge the Missouri Arts Council for their generous financial assistance toward the commissioned work by John Cheetham. Without MAC's generosity, this project would not be feasible.

MoASTA is also indebted to its members who have made individual contributions to this matching grant. John Cheetham is the fifth composer MoASTA has commissioned for the All-State Orchestra, the other four being Claude T. Smith, Virgil Thomson, Vaclav Nelhybel, and Norman Dello Joio.

MoASTA is grateful to Mr. Gene Bearden, Bearden Violin Shop, Inc., St. Louis, Missouri, for covering their part of the cost of the printed programs.
