Dr. James Croft - Conductor

About the Conductor

Dr. James Croft, Professor of Music and Director of Bands at Florida State University, received his B.M.E. from Cornell College, an M.A. from Northern Iowa University and his doctorate from the University of Oklahoma. He taught for 21 years in the public schools of Iowa and Wisconsin. The last 18 of these were spent in Oshkosh, Wisconsin, where his groups were invited to appear at numerous state, regional and national conventions, clinics and festivals. In 1972, he joined the faculty of the University of South Florida as Director of Bands, remaining there until assuming his present position at Florida State University beginning in 1980.

He has presented workshops and clinics at numerous colleges and universities throughout the country. Widely sought as a guest conductor, lecturer, adjudicator and clinician, he has acted in these capacities in 44 states, Europe, Canada and Israel. Also, he recently conducted a series of Australian concerts and clinics.

Croft has appeared as a clinician, lecturer, or guest conductor at the National Music Camp (Interlochen), the Royal Academy of Music (London), the Royal Marine School of Music (Portsmouth), the Central Army Orchestra (Budapest), the Ensemble Barrundeum (Prague), the Royal Central Air Force Band (London), the Matan Music Camp (Israel), the University of Calgary and the Cincinnati Conservatory of Music's Conducting Symposia, the British Association of Symphonic Bands and Wind Ensembles, the World Association of Symphonic Bands and Ensembles, and the Midwest International Band and Orchestra Clinic.

He is past president of the National Band Association, the College Band Directors National Association, and the Atlantic Coast Conference Band Directors Association. He also serves as a contributing editor for *The Instrumentalist* magazine.

An elected member of the American Bandmasters Association and Phi Beta Mu, he maintains an active interest in the Florida Bandmasters Association, the Music Educators National Conference and the World Association of Symphonic Bands and Ensembles, delivering an address on "The Training of the International Conductor" at the WASBE Boston Conference and chairing that organization's initial research committee. He is currently an elected member of the WASBE Board of Directors. In 1966-67, *The School Musician* selected him as one of the nation's 10 outstanding music educators. Both Cornell College and the University of Oklahoma have recognized him as a distinguished alumnus. In 1997, he was selected for a Florida State University Teaching Award and recognized as the University's Educator of the Year.

About the Conductor

Robert Culver, professor of music education in the University of Michigan School of Music, is a performing violist, conductor and string specialist. Prior to joining the Michigan faculty, Dr. Culver was string specialist in the Corvallis (Oregon) public schools; orchestra director in the Springfield and Salem (Oregon) public schools; violist with the Rochester Philharmonic Orchestra and Detroit Symphony Orchestra; a member of the faculty of the Ohio State University; and conductor of the youth orchestras in conjunction with the Columbus (Ohio) Symphony. He is the author of the *Ohio State String Plan, Services for Strings, Curriculum for Strings, Master Teacher Profile* and *The Modernization of Instrumental Music Teacher Training*.

Dr. Culver has attained an international reputation as a public school orchestra conductor and has been a key figure in the development of school orchestra programs throughout the United States. He has been one of the most sought-after consultants, clinicians and conductors available to music education today, having been asked to present in 47 states, conducting all-state orchestras in 39 states and 11 countries during his tenure at the University of Michigan. He has served on the faculties of the National String Workshop in Madison, Wisconsin, from 1984 to 1991, the International String Workshop since 1980, and is the founder and director of the American String Workshop. His association with ASTA has been fruitful as Outreach Chairman for the State of Michigan, developing many initiatives and programs throughout the state.

In addition, he served on the national board of ASTA as Publications Chairman and was voted as president elect in 1988, assuming the presidency in 1990. While originating and serving as artistic director of the Banff International Festival, he is also past chairman of music education at the School of Music. During a sabbatic leave during 1997-1998, he served as acting director of the Wyoming Fine Arts Academy in Cincinnati, Ohio, developing four new school district orchestral programs, provided extensive in-service to 60 area teachers and established several innovative activities to further develop the string community in the Cincinnati metropolitan area.

About the Composer of the Commissioned Work

Andrew List composes music in many different genres, including orchestral works, string quartet, opera, choral music, voices with various instruments, music for children, solo works and a variety of chamber ensembles. A resident of Boston, Dr. List is a professor of composition and theory at the Berklee College of Music. He is also owner of “Laser Score,” a computerized music engraving business. Born in St. Louis, he is a graduate of the New England Conservatory of Music with B.A. and M.A. degrees in music composition. He received his doctorate in music composition from Boston University, where he studied with Bernard Rands, Samuel Headrick and Nicholas Maw.

A finalist in the Alea III International Composition Competition, Dr. List has had numerous commissions and performances from professional solo artists and performing ensembles. He has been fortunate to enjoy a number of residencies at the MacDowell Colony, the Atlantic Center for the Arts, the Aspen Music Festival and the Cité Internationale des Arts in Paris. In the year 2000, Dr. List will receive an eight-month composer-in-residence grant with the city of Amsterdam, where he will continue working on and complete his opera, *King Lear*, based on the play by William Shakespeare.
