TAN-TAR-A CONFERENCE CENTER

OSAGE BEACH, MISSOURI

Missouri Music Educators Association

A Federated State Association of the National Association for Music Education

Welcome to this All-State Concert of the Missouri Music Educators Association 82nd In-Service Workshop/Conference, "Vision 20/20: Looking at the Future of Music Education Through the Eyes of a Child." What you will see and hear from these wonderful musicians gives us all reason to rejoice; their performance represents not just the highest level of talent but a celebration of the human spirit. At a time when we are struggling with issues that test our will it is fitting that we draw comfort and find inspiration from that which has sustained and nurtured over the centuries. Music has no equal.

Missourians are a proud and independent lot yet we also know we need each other. Music affirms the best of our world. Through music we see the opportunity for students rich in heritage and circumstance to unite in sound and spirit to create something so beautiful it hardly seems possible.

Since 1938, the Missouri Music Educators Association has made this beauty possible by relentlessly pursuing the first objective in our constitution, to promote and advance music education in Missouri. We are immensely proud to host the All-State ensembles, an elite collection of musicians from across this great state.

To the affiliate organizations who have sponsored and coordinated our high school ensembles; to the teachers who have spent countless hours instructing, guiding, and nurturing these young people; to those who have animated and supported a love for music from the home, we salute you.

On behalf of the Missouri Music Educators Association, we hope you enjoy today's performance. As you are about to see, the future is bright.

About the conductor...

Jason Max Ferdinand is a Full Professor, Chair of the Music Department, and Director of Choral Activities at Oakwood University where he conducts the Aeolians of Oakwood University. A native of Trinidad & Tobago, Ferdinand received his Bachelor of Arts degree in piano from the Oakwood College (now Oakwood University), the Master of Arts in Choral Conducting from Morgan State University, and the Doctor of Musical Arts in Choral Conducting from the University of Maryland.

Under Dr. Ferdinand's baton, the Aeolians of Oakwood University have graced stages the world over. Their repertoire of choral music which ranges from the Baroque era to the 21st century has been sought after and performed at venues across the world. At International Musical Festival in Wales, UK he received the "Most Outstanding Director" award and the ensemble was named "2017 Choir of the World". In 2018, his choir won three gold medals in the 10th World Choir Games held in South Africa. Additionally, they were the overall champions in both the University Choir and Spiritual categories. In February of 2019, the ensemble performed at National ACDA in Kansas City.

Ferdinand maintains an active schedule as a presenter, adjudicator and guest conductor for high schools, collegiate, and church choirs throughout North America, Asia, Europe, and the Caribbean. He is a former board member of the Alabama American Choral Directors Association (ACDA). A choral series bearing the name of Jason Max Ferdinand is now in circulation by Walton Music publishers. He continues to actively compose and to mentor up-and-coming composers. His greatest passion is watching those who he has mentored as conductors and composers, become conductors and composers in their own right.

Dr. Ferdinand loves to teach and was named "Teacher of the Year" for the 2017/18 school year by Oakwood University. Dr. Ferdinand is thankful for his parents, Dr. T. Leslie and Mary Ferdinand who are both retired educators. His siblings Alva Ferdinand, J.D., Ph.D. and Abdelle Ferdinand, M.D. tribute any academic accomplishments they have attained to their parents.

Dr. Jason Max Ferdinand is married to Meka, who is a registered nurse and they are the parents of Caleb, Ava and baby Jamē.

About the conductor..

Camille Thurman. As a composer, multi-instrumentalist, vocalist, and unique interpreter of the jazz tradition, she is quickly becoming one of the standard bearers for the form, making a considerable and dynamic contribution to the legacy of jazz while paying tribute to its heroes. Fluid and powerful on the tenor saxophone and highly inventive as a vocalist, she also plays bass, clarinet, flute, and piccolo. Her rich sax sound has been compared to Joe Henderson and Dexter Gordon, while her vocal approach—including an impressive scatting ability—has been classified alongside those of Ella Fitzgerald and Betty Carter. In a few short years, Thurman has shared stages with such jazz and R&B luminaries as George Coleman, Roy Haynes, Dianne Reeves, Wynton Marsalis, The Jazz at Lincoln Center Orchestra (JALCO) featuring Wynton Marsalis, Buster Williams, Charles Tolliver, Jack DeJohnette, Dr. Lonnie Smith, Terri Lyne Carrington, Jon Hendricks, Harry Connick Jr., Audra MacDonald, Diana Krall, Patti LaBelle, Gladys Knight, Chaka Khan, Louis Hayes, Russell Malone, Nicholas Payton, Jacky Terrasson, Janelle Monáe, Alicia Keys, Lalah Hathaway, Jill Scott and Erykah Badu, among others. The New York City native has already amassed several distinctive honors for her musicianship: runner up in the 2013 Sarah Vaughan International Vocal Competition, two-time winner of the ASCAP Herb Alpert Young Jazz Composers Award and a winner of the Fulbright Scholars Cultural Ambassador Grant, among others. Thurman also has four full-length recordings as a leader to her credit. Her compositions were featured and performed by her quartet in the ASCAP/The Kennedy Center "Songwriters: The Next Generation" showcase. Camille has appeared on BET's "Black Girls Rock" as the saxophonist and flutist in the All-Star Band. Equally adept as a player and a singer, and recognized for her compositional abilities as well, Thurman has also earned accolades from the media, from Jazz Times to Downbeat, All About Jazz to the New York Times, NPR to Sirius XM Satellite Radio. Thurman tours internationally with the Jazz at Lincoln Center Orchestra; she is the first woman in 30 years to work an entire season with the world-renowned orchestra (2018-2019). After guesting with the JALCO on several shows, including a tribute to Ella Fitzgerald, and again during the 2017-2018 season as a featured vocalist for the world premiere of the historic work, "The Every Fonky Lowdown," Thurman was invited to play the tenor saxophone chair for the recent international tour, which has featured five different programs of music during the six weeks of performances. When she is not touring with the JALCO, Thurman is on the road with her band, The Camille Thurman Quartet and a featured artist with the Darrell Green Trio, where she performed at the Kennedy Center, Alice Tully Hall, and other international jazz festivals. Thurman was chosen by the State Department under the Fulbright Scholarship grant to perform in Paraguay and Nicaragua with her band. She and Darrell Green were selected by American Music Aboard to travel and perform in various African nations including Cameroon, Mozambique, Nigeria, Senegal, and Mauritania. The dynamic musician is also endorsed by D'Addario Woodwinds & Co. for reeds.

Financial support for Camille Thurman's appearance at the MMEA Conference was made available by the Missouri Alliance for Arts Education through a grant from the Missouri Arts Council and a Jazz Education Partnership from Jazz St. Louis, Andy Ament, Director of Education.

About the conductor...

Jason Seber. The 2018/19 Kansas City Symphony season marks Jason Seber’s third year as the David T. Beals III Associate Conductor. He has built a strong rapport with the Kansas City community — conducting more than 70 concerts each season, in educational workshops at area schools, as a host of G. Kenneth and Ann Baum Concert Comments and through many other community events. Seber leads the Symphony in Classics Uncorked, Pops, Family, Film + Live Orchestra and education concerts, plus Christmas Festival, Symphony in the Flint Hills and a multitude of other programs.

Prior to his Kansas City Symphony appointment, Seber served as education and outreach conductor of the Louisville Orchestra from 2013 to 2016, creating and leading many programs on the education, holiday, Family, Pops and Music Without Borders series. He was also music director of the Louisville Youth Orchestra for 11 seasons. Under his baton, the LYO Symphony Orchestra performed on National Public Radio’s “From the Top” in 2016.

Previously, Seber served as assistant conductor of the Cleveland Pops Orchestra and the National Repertory Orchestra. Recently, he has had return engagements with the Colorado, Houston and Indianapolis symphonies and the Cleveland Pops, and he has appeared as a guest conductor for the Charleston, Mansfield, National and Windsor symphonies as well as the Denver Young Artists Orchestra. A passionate advocate of music education, Seber has conducted the Honors Performance Series Orchestra at the Sydney Opera House and Carnegie Hall. In 2020, he will conduct the Missouri All-State Orchestra.

Seber has collaborated with a diverse range of artists including Boyz II Men, Jinjoo Cho, Melissa Etheridge, Ben Folds, Brian Stokes Mitchell, My Morning Jacket, Aoife O’Donovan, Doc Severinsen, Conrad Tao, Bobby Watson and Joyce Yang. He earned his master’s degree in orchestral conducting from the Cleveland Institute of Music and his bachelor’s degrees in violin performance and music education from Baldwin Wallace University.
