83RD ANNUAL IN-SERVICE WORKSHOP/CONFERENCE

Finding Joy

The Power of Music!

**ALL-STATE
CONCERT
PROGRAM
2021**

Missouri Music Educators Association

A Federated State Association of the National Association for Music Education

When I chose the 2021 Conference theme: Finding Joy! The Power of Music! back in the summer of 2019 I had no idea how fitting and meaningful it would become. For the past year, our world has been turned upside down. We have dealt with circumstances that have changed how we teach, how we learn, how we live. But there is one thing that HAS NOT changed: the resilient spirit of our young musicians. Auditioning for an All-State ensemble takes hours and hours of practice to improve the skills needed to sightread, improvise, and perfect the required etudes and scales. These pieces are not necessarily the most interesting pieces to rehearse, and very few students actually ENJOY playing scales and sightreading. So much of the appeal of making an All-State ensemble is the opportunity to travel to Osage Beach and meet with the elite musicians from across the state. It is the opportunity to work with a world-renowned conductor for four days. It is the opportunity to present a concert for the most knowledgeable audience we will ever face. This year, all of that was taken away. And yet, despite not being able to enjoy the “perks” of being selected to an All-State ensemble, these young musicians DID THE WORK ANYWAY. If that is not a testament to the determination and character of these young people, I don’t know what is.

As with any triumph in life, our students did not reach this pinnacle alone. Without the support of parents who listened to the same songs over and over ad nauseum, invested in an instrument, paid for private lessons, and insisted on time set aside for practice this achievement would not have been possible. We thank you for your tireless efforts to help these students succeed.

To the elementary educator who first taught these students how to find their singing voice, to the beginning ensemble teachers that started these students on this journey, to the junior high and high school directors that helped them hone their craft, and to the affiliate organizations that organized a way for our students to have a tiny sense of “normal” this year: our heartfelt and deepest gratitude.
